11. **Bus Shelters.** – the shelter on the Green was nearing completion.
12. **SNH Land transfer** –To discuss transfer of land maintenance. No progress.
13. **To discuss the state of pavements and kerbs around village centre.** With particular regard for wheelchair users. Mrs White had informed Council that she had been tipped out of her wheelchair outside the One Stop Shop, and had asked for a review of this area and its dropped kerbs. Clerk had contacted Highways and NCC, and would facilitate a meeting to see what improvements could be made. CCTV footage of incident had been requested, but did not show anything when checked.
14. **Village Development and Neighbourhood Plan.** Item to go in Prattler asking for volunteers to form a body to work towards a Neighbourhood Plan. This was a complex, costly and time consuming procedure; but felt necessary to safeguard the future of the village, as it would become part of the planning process. The relevant body would liaise with and be answerable to Council. It had been advised that the cost could be between £10 -20,000; but that grants could be available. Cllr DH felt that a Village Plan might be another, though lesser, option.
